RE: Letter of Compliance, Docket #4253-08

Gentlemen:

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4253-08 to Mr. David Delach and Mr. John S. Esser, P.E. The NOV alleged that a project to construct a public water system and sewerage system main extensions to serve the Hampton Inn adjacent to the Green River along the Wild Horse Canyon Road was underway without a permit, which is in violation of Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement required Mr. Delach and Mr. Esser to pay a total penalty of Five Thousand Two Hundred Eighteen and no/100 Dollars (\$5,218.00) to the DEQ. Based on the signed Settlement Agreement and the receipt of the penalty by DEQ, Mr. Delach and Mr. Esser have complied with the conditions of the Settlement Agreement for Docket Number 4253-08 and the DEQ finds that all terms have been satisfied. Docket #4253-08 is closed. Enclosed, please find a copy of the signed Settlement Agreement.

Sincerely,
